

METHODS OF COMMUNICATING GOD'S WORD – PREACHING AND TEACHING

Course Description:

This course demonstrates how to communicate God's message effectively through preaching and teaching. These two methods of sharing God's Word are alike in many ways. Yet during the history of the Christian church, each method has developed some distinctive characteristics. This course points out the advantages of both methods and helps prepare the reader to use them in the best manner for evangelizing the un-reached and providing for the spiritual development and maturity of those that are ministered to.
